2009 Energy Savings from:

'06-'08 Initiatives

- Product Distributions
 - Faucet Aerator & Showerhead kits
 - CFLs
 - Torchiere Exchanges
- Residential Tune-Ups

'10-'12 Initiatives

- Municipal Energy Efficiency Projects

2009 Tune-Ups

What is a "Home Energy Efficiency Tune-Up?"

A one-stop FREE service (materials and labor) offered in partnership with the City of San Bernardino and your utilities worth...

**UP TO \$250
AT NO COST!**

STEP 1

Assessment

Licensed independent contractors make an appointment to come to your home and assess your potential energy savings.

STEP 2

Tune-Up

Contractors install energy saving products, such as low-flow showerheads, fluorescent light bulbs, and more.

STEP 3

Identify further savings

Contractors recommend additional energy saving improvements you can make to your home and refer you to other energy- and money-saving utility programs.

To sign-up now or for more information

Call 1-800-968-5203

or Email: partnership@energycoalition.org

Eligibility:

- Must be a resident of the City of San Bernardino and a customer of Southern California Edison and Southern California Gas Company.
- Must present utility bill upon day of service.
- Must be above certain income thresholds.

For full eligibility requirements contact the Community Energy Partnership. Tune-ups take approximately one hour. Products and services are guaranteed for one year. Limited availability through Fall 2009.

This program is funded by California utility customers and administered by Southern California Gas Company and Southern California Edison under the auspices of the California Public Utilities Commission.
